

Support WSTEM – A Future Without Limits

Opening in the 2026-27 school year, WSTEM Inc. is building the region's first fully independent, research-connected K4–6 STEM public charter school—serving families in Wauwatosa and beyond, with planned expansion to grades 7–8. We are securing a STEM-focused facility to support innovation, industry partnership, and growing enrollment.

**Help us grow the
WSTEM model
as a independent
public charter school**

Proven, Scalable Elementary STEM Model

- Daily hands-on problem-solving
- Multi-age classrooms + looping relationships
- Cross-curricular learning that mimics real-world
- High student agency + teacher autonomy
- Place-based learning + community partnerships
- Collaboration with teachers/parents/partners

1 Charter in WI #4 Elementary School in WI High DPI Performance (94.9)

WSTEM Inc. supports high achievement. *Results based on WSTEM 2024-25 Dept. of Public Instruction Results + U.S. News & World Report*

Support a school that builds innovators.

Your tax deductible donation to WSTEM Inc. benefits future students of WSTEM.
